SCHOOL BUS CHILD SECUREMENT SYSTEMS

PACCAR Parts partners with BESI Inc to provide school bus child securement products. BESI offers Universal Vests, Pro Tech, and the Over the shoulder securement. All systems are tested to meet FMVSS 213 Standards, along with FMV22-302 flammability requirements. BESI universal vests are available in 3 color coded sizes and can be adjusted to fit any child.

Features & Benefits
Note: the below are FABs for the Protech • Made with durable fire block school bus seating material • Memory foam construction with lumbar support for comfort • Does not require lap or shoulder belts • Includes easy installation and storage instructions • Can be folded up conveniently and stored away
